

## Summit Midstream Partners, LP Announces Achievement of Key Milestones for the Double E Pipeline Project Including Receipt of the Notice to Proceed from the FERC

January 12, 2021 at 7:03 PM EST

HOUSTON, Jan. 12, 2021 /PRNewswire/ -- Summit Midstream Partners, LP (NYSE: SMLP) (the "Partnership") announced today that Double E Pipeline, LLC ("Double E"), a joint venture in which SMLP owns a 70% equity interest and serves as the pipeline's operator and construction manager, received its Notice to Proceed ("NTP") with construction, as well as approval of its Implementation Plan, from the Federal Energy Regulatory Commission ("FERC"). Double E has also been granted the necessary rights-of-way on federal lands from the Department of the Interior's Bureau of Land Management ("BLM") and has entered into Memorandums of Agreement regarding treatment and mitigation measures at certain cultural resource sites with the FERC and the State Historic Preservation Officers of New Mexico and Texas.

Heath Deneke, President, Chief Executive Officer and Chairman, commented, "We are pleased to report the actions of the FERC and the BLM and also re-affirm our expected Q4 2021 in-service date. Summit has also made good progress on its financing plans related to its 70% share of Double E and intends to announce additional details prior to construction activities beginning later this quarter."

"We are proud of the efficiency with which this project has achieved its key milestones on the way to creating a safe and reliable pipeline with the ability to transport natural gas from the northern Delaware to market. Our world-class development team has maintained its focus on delivering the Double E project on time and under budget and has been instrumental in advancing the project and taking another step towards start-up."

### About Summit Midstream Partners, LP

SMLP is a value-driven limited partnership focused on developing, owning and operating midstream energy infrastructure assets that are strategically located in unconventional resource basins, primarily shale formations, in the continental United States. SMLP provides natural gas, crude oil and produced water gathering services pursuant to primarily long-term and fee-based gathering and processing agreements with customers and counterparties in six unconventional resource basins: (i) the Appalachian Basin, which includes the Utica and Marcellus shale formations in Ohio and West Virginia; (ii) the Williston Basin, which includes the Bakken and Three Forks shale formations in North Dakota; (iii) the Denver-Julesburg Basin, which includes the Niobrara and Codell shale formations in Colorado and Wyoming; (iv) the Permian Basin, which includes the Bone Spring and Wolfcamp formations in New Mexico; (v) the Fort Worth Basin, which includes the Barnett Shale formation in Texas; and (vi) the Piceance Basin, which includes the Mesaverde formation as well as the Mancos and Niobrara shale formations in Colorado. SMLP has an equity investment in Double E Pipeline, LLC, which is developing natural gas transmission infrastructure that will provide transportation service from multiple receipt points in the Delaware Basin to various delivery points in and around the Waha Hub in Texas. SMLP also has an equity investment in Ohio Gathering, which operates extensive natural gas gathering and condensate stabilization infrastructure in the Utica Shale in Ohio. SMLP is headquartered in Houston, Texas.
