February 28, 2022 at 5:45 PM EST

HOUSTON, Feb. 28, 2022 /PRNewswire/ -- Summit Midstream Partners, LP (NYSE: SMLP) (the "Partnership") announced today that Rommel M. Oates has been appointed to the Board of Directors of its general partner, Summit Midstream GP, LLC (the "Board"). Mr. Oates was appointed on February 28, 2022 as a Class III Director.

Mr. Oates is the Founder, Chairman, and Chief Executive Officer of Oates Energy Solutions LLC and Refinery Calculator Inc. Since 1999, Mr. Oates has been a leading pioneer in helping the world transition to a sustainable future by using hydrogen as its main energy carrier. Mr. Oates has produced 18 patents in the field of hydrogen and is considered by many to be an expert in the area of hydrogen storage. Since 2014, Mr. Oates has served as a board member for the International Association of Hydrogen Energy. From 2015 to 2018, Mr. Oates served True North Venture Partners (an Ahearn, Walton, Cox family limited partnership entity) in several capacities. From 2015 to 2016, Mr. Oates held the role of Senior Director of Commercial Development for True North's Management Partners team. Then, from 2016 to 2018, Mr. Oates held executive leadership roles in sales, marketing and commercial development for TNVP's portfolio company Aquahydrex Pty Ltd. From 2003 to 2015, Mr. Oates served in various capacities of increasing responsibility with Praxair Inc. (now Linde) including service as Director of Hydrogen and Carbon Monoxide Product Management, Sr. Account Director for Pipeline and On-Sites, General Business Manager of Praxair Electronics Houston and several Operations and Engineering roles. In addition, Mr. Oates holds an MBA and Master of Finance Degrees from Tulane University as well as a Bachelor of Science Degree (Pi Tau Sigma Honors) and Master's of Science Degree in Mechanical Engineering from the University of Miami, Florida.

Heath Deneke, President, Chief Executive Officer and Chairman, commented, "I'm excited to welcome Rommel Oates as the newest Director on Summit's Board. Rommel has an extensive background in clean energy technology and brings a unique perspective to the Board, which will be valuable as we continue to refine our ESG approach, increase engagement in energy transition initiatives and develop our inaugural sustainability report, which will be published later this year. Rommel has a successful track record of using his expertise and creativity to create impactful solutions and I look forward to working with him in his new role to create long-term value for our stakeholders."

About Summit Midstream Partners, LP

SMLP is a value-driven limited partnership focused on developing, owning and operating midstream energy infrastructure assets that are strategically located in the core producing areas of unconventional resource basins, primarily shale formations, in the continental United States.
