

## Summit Midstream Partners, LP Announces Closing of Lane Gathering and Processing System Sale to a Subsidiary of Matador Resources Company

June 30, 2022

HOUSTON, June 30, 2022 /PRNewswire/ -- Summit Midstream Partners, LP (NYSE: SMLP) ("Summit", "SMLP" or the "Partnership") announced today that its wholly owned subsidiary, Summit Midstream Holdings, LLC ("SMP Holdings"), closed on the previously announced sale of Summit Midstream Permian, LLC ("Summit Permian"), which owns the Lane Gathering and Processing System ("Lane G&P System") in the Delaware Basin to a wholly owned subsidiary of Matador Resources Company ("Matador") for a cash sale price of \$75 million, excluding customary transaction adjustments. Matador also assumed Summit Midstream Marketing, LLC's, a wholly owned subsidiary of SMP Holdings, take-or-pay firm capacity on the Double E Pipeline associated with the Lane G&P System.

### Lane G&P System Overview

The Lane G&P System includes approximately 45 miles of low and high pressure gathering pipeline in Eddy and Lea counties in the northern Delaware Basin, three compressor stations and a 60 MMcf/d cryogenic processing plant commissioned in December 2018. Gathering and processing services on the Lane G&P System are provided pursuant to long-term, fee-based gathering agreements with producers that are primarily targeting crude oil production from the Bone Spring and Wolfcamp shale formations. Residue natural gas is primarily delivered to the Double E Pipeline.

### About Summit Midstream Partners, LP

SMLP is a value-driven limited partnership focused on developing, owning and operating midstream energy infrastructure assets that are strategically located in the core producing areas of unconventional resource basins, primarily shale formations, in the continental United States. SMLP provides natural gas, crude oil and produced water gathering, processing and transportation services pursuant to primarily long-term, fee-based agreements with customers and counterparties in six unconventional resource basins: (i) the Appalachian Basin, which includes the Utica and Marcellus shale formations in Ohio and West Virginia; (ii) the Williston Basin, which includes the Bakken and Three Forks shale formations in North Dakota; (iii) the Denver-Julesburg Basin, which includes the Niobrara and Codell shale formations in Colorado and Wyoming; (iv) the Permian Basin, which includes the Bone Spring and Wolfcamp formations in New Mexico; (v) the Fort Worth Basin, which includes the Barnett Shale formation in Texas; and (vi) the Piceance Basin, which includes the Mesaverde formation as well as the Mancos and Niobrara shale formations in Colorado. SMLP has an equity method investment in Double E Pipeline, LLC, which provides interstate natural gas transportation service from multiple receipt points in the Delaware Basin to various delivery points in and around the Waha Hub in Texas. SMLP also has an equity method investment in Ohio Gathering, which operates extensive natural gas gathering and condensate stabilization infrastructure in the Utica Shale in Ohio. SMLP is headquartered in Houston, Texas.
